

Learn a new sport at Ilkley – Angling

The local Ilkley Angling Association is offering free tuition to Ilkley Grammar School students and parents wanting to learn how to fish.

The River Wharfe at Ilkley provides excellent fishing for Trout and the club also has coarse fishing ponds adjacent to the Ilkley Grammar School playing fields at Ben Rhydding.

Ex IGS student David Martin is a qualified/licenced fishing instructor and Secretary of the Ilkley Angling Association.

Fishing is a great way to appreciate the countryside and its flora & fauna. Angling is a very relaxing but exciting sport and friendships made fishing often last a lifetime.

See www.ilkeleyanglingassociation.co.uk and call David Martin on 07899 034728 for more information or to book free tuition.
