

Ilkley Angling Association (IAA) and Knaresborough Piscatorials (KP) Ticket Exchange System 2017

Our two associations are local, open membership clubs of a very similar size and charge similar annual membership fees. This scheme will share our resources and increase fishing opportunities for our respective members without any additional cost to our clubs or individual members. Knaresborough Piscatorials have several excellent stretches of the River Nidd containing mixed stocks of game and coarse species.

For 2017 a new system will be implemented which makes it easier for everybody to use the system. No actual KP ticket needs to be collected but all IAA members must carry, and on request be ready to show, their IAA annual permit when fishing a KP water.

1. The arrangement will run from 25th March 2017 for a period of one year, and annually thereafter subject to agreement from both club committees.
2. Each club will provide access for a maximum of two members of the other club on any one day.
3. KP club rules and appropriate access maps will be emailed or posted out by the IAA club Secretary to any member requesting to use the exchange system.
4. The Club Secretaries will maintain a diary system so that access can be reserved by phone or (preferably) by email.
5. Only current, fully paid up members of the respective associations may use the system (ie. no guests) and when fishing they must show their club membership card when requested to do so.
6. IAA members must abide by all of the KP club and any venue specific rules. In addition no fish may be taken when using the exchange system – strictly catch and release of all species.
7. The parent club is responsible for the actions of its members when using the exchange system and should deal with any wrong-doing in accordance with its own disciplinary rules. Any issues should be reported to the Secretary of the parent club.
8. No fishing allowed on dates and venues where matches are scheduled. Each club Secretary will be aware of these dates so as to be able to advise their booking members accordingly.
9. IAA members cannot use the KP Norton Conyers permits due to agreements with the venue owner.

Ilkley Angling Association (IAA) and Wetherby & District Angling Club (WAC) Fishing access exchange system 2017

Our two clubs both have open membership and sell day tickets. This new scheme will share our fishing access resources and increase fishing opportunities for our respective members without any additional cost to our clubs or individual members. Wetherby have excellent stretches of the River Wharfe from Linton Bridge at Collingham downstream to well below Wetherby. They contain mixed stocks of coarse and game fish species.

No actual WAC ticket needs to be collected but all members must carry, and on request be ready to show, their IAA annual permit when fishing a WAC water.

1. The arrangement will run from 25th March 2017 for a period of one year, and annually thereafter subject to agreement from both club committees.
2. Each club will provide access for a maximum of two members of the other club on any one day.
3. WAC club rules and appropriate access maps will be emailed or posted out by the IAA club Secretary to any member requesting to use the exchange system.
4. The Club Secretaries will maintain a diary system so that access can be reserved by phone or (preferably) by email.
5. Only current, fully paid up members of the respective associations may use the system (ie. no guests) and when fishing they must show their club membership card when requested to do so.
6. IAA members must abide by all of the WAC club and any venue specific rules. In addition no fish may be taken when using the exchange system – strictly catch and release of all species.
7. The parent club is responsible for the actions of its members when using the exchange system and should deal with any wrong-doing in accordance with its own disciplinary rules. Any issues should be reported to the Secretary of the parent club.
8. No fishing allowed on dates and venues where matches are scheduled. Each club Secretary will be aware of these dates so as to be able to advise their booking members accordingly.
